The Klein Collins High softball team has two quality pitchers -- Tayler Atkinson and Taylor Grissom.

And that's something that could be beneficial for the Lady Tigers (27-6) in the postseason.

After defeating Oak Ridge, 12-4, 10-0, this weekend, KC will face Round Rock in a best-of-three series at 7 p.m. Thursday and 4 p.m. Saturday at A&M Consolidated High in College Station.

The winner will meet The Woodlands or Pflugerville in the regional quarterfinals.
